

Nursing Research Council Presents

EBP Symposium: It's Not Easy Being Green – The Financial Side of Nursing

Description

The University of Kansas Hospital, a Magnet™ hospital, presents evidence-based topics and strategies for a healthy work environment. Posters display a variety of QI, Research and EBP projects.

Who Should Attend?

All Kansas City metro area nurses and nursing students interested in developing, maintaining and growing in a healthy work environment.

Accreditation: The University of Kansas Hospital Education and Development is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Up to 6.5 CNEs available.

Parking: Public parking is available in Cambridge Garage across from the hospital's main entrance or in the Olathe II Garage at Cambridge and Olathe. Campus maps are available at the Information Desk in the main lobby.

Register: Hospital employees must register via LMS. Others must register via education@kumc.edu. Please type "Nursing Science Symposium, September 18, 2013" in subject line and include your name, nursing license number, phone number and facility name in body of email.

This symposium is provided free of charge. A box lunch, courtesy of NDNQI, will be available to the first 100 attendees.

Wednesday, Sept. 18, 2013
KU School of Nursing, G013

(Breakout sessions in Varnes)
